Description

+ The 2015 Citroen C4 Cactus Flair is a practical hatchback powered by a 1.2 litre petrol engine that meets Euro 6 emission standards. This model comes well equipped with a range of technology designed to assist the driver, including automatic headlights that switch on when needed and a Bluetooth system for connectivity. Parking is made straightforward through the inclusion of rear parking sensors and a reversing camera, while the automatic air conditioning and climate control system helps maintain a comfortable cabin temperature throughout your journey.

+ This vehicle stands out for its efficiency and everyday usability, offering an impressive fuel economy of 66 mpg alongside low CO2 emissions. It is an economical choice to run, further supported by its low insurance group rating, which helps keep ownership costs down. Beyond its efficiency, the C4 Cactus provides a large boot space, making it a versatile option for those who need extra room for luggage or shopping without compromising on the benefits of a compact car.
