Description

+ The 2020 Nissan Juke DIG-T N-Connecta is a practical compact crossover that combines modern design with efficient performance. This model is powered by a 1.0 litre petrol engine, which meets Euro 6 emission standards, ensuring it remains compliant with current environmental regulations. As an N-Connecta trim, it offers a balanced specification that focuses on everyday usability and comfort for drivers and passengers alike.
+ This vehicle is designed to make daily driving more convenient through a range of integrated technology. Manoeuvring is simplified by front parking sensors with parking assistance, while the automatic air conditioning and climate control system maintains a comfortable cabin temperature regardless of the weather. Connectivity is seamless thanks to the inclusion of Apple CarPlay and Android Auto, allowing for easy smartphone integration. The driving experience is further enhanced by the intelligent key system with a push-button start, which provides keyless entry, and the bright LED headlights that improve visibility. With a fuel economy of 46 mpg and low CO2 emissions, this Juke offers an efficient and well-equipped option for those seeking a reliable and modern vehicle.
