Description
+ The 2019 Ford Focus Active X is a practical and well-equipped hatchback that combines a 1.5L diesel engine with the efficiency of a Euro 6 emission class rating. This model is designed to offer a balanced driving experience, featuring a range of technology and comfort additions. Inside, the cabin includes the Ford SYNC3 DAB navigation system, which supports Android Auto, Apple CarPlay, and Bluetooth connectivity for seamless integration with your devices. Comfort is prioritised with heated front seats for both the driver and passenger, while convenience is enhanced by keyless entry and automatic headlights that switch on and off as needed. Manoeuvring is made simpler thanks to the inclusion of front and rear parking sensors.
+ This vehicle stands out as a sensible choice for those seeking efficiency and utility in their daily driving. It offers an impressive fuel economy of 55 mpg and low CO2 emissions, which helps to keep running costs manageable. The car also benefits from a low insurance group rating, making it an economical option to insure. Beyond its running costs, the Focus Active X provides a large boot space, ensuring there is plenty of room for luggage or shopping. These combined attributes make it a highly practical vehicle that is well-suited to a variety of needs, offering a blend of modern technology and everyday usability.
