Description
+ This 2017 Land Rover Range Rover Velar D240 HSE is a refined SUV that combines capability with a sophisticated design. Powered by a 2.0 litre diesel engine, this vehicle is compliant with Euro 6 emission standards and features a four wheel drive system for added stability. With a recorded mileage of 63,106 miles, this example has covered a low distance for its age, making it a practical choice for those seeking a well maintained vehicle.
+ The Range Rover Velar offers a blend of performance and utility, highlighted by its ability to accelerate from 0 to 60 mph in 6.8 seconds while still achieving a fuel economy of 49 mpg. Practicality is a key strength, as evidenced by the large boot space and a towing capacity of 2,500 kg. Safety and convenience are prioritised through a comprehensive suite of technology, including Matrix LED headlights with signature daytime running lights and adaptive cruise control with queue assist and intelligent emergency braking. Manoeuvring is made straightforward with the inclusion of park assist, which utilises a 360 degree camera, front and rear sensors, and a rear view camera, while blind spot assist provides additional awareness on the road.

Why Buy From Star Cars London?
+ Trusted East London used car specialist
+ All vehicles pre-delivery inspected
+ Finance available (prime & subprime)

Star Cars London Park Farm, Sewardstone Road, Chingford, Essex E4 7RG
