Description
+ This 2021 Ford Kuga ST-Line offers a practical and modern driving experience, combining the versatility of an SUV with the efficiency of a 2.5 litre petrol plug-in hybrid engine. As a Euro 6 compliant vehicle, it is designed to meet current emission standards while providing a smooth and responsive performance. The ST-Line trim level adds a distinct style to the exterior, which is finished in Solar Silver, ensuring the vehicle maintains a clean and contemporary appearance on the road.
+ Inside, the cabin is equipped with technology designed to enhance comfort and connectivity for all passengers. The Bang and Olufsen premium audio system delivers high-quality sound, while the Ford SYNC3 navigation system integrates seamlessly with Android Auto and Apple CarPlay, allowing for easy access to maps and media via Bluetooth. Comfort is maintained throughout the journey thanks to the dual-zone electronic automatic temperature control, which includes climate control settings. Furthermore, the automatic headlights provide added convenience by adjusting to lighting conditions without driver input. With the added benefit of falling into a low insurance group, this Kuga presents a sensible choice for those seeking a well-equipped and economical family vehicle.

Why Buy From Star Cars London?
+ Trusted East London used car specialist
