Description

+ This 2021 Toyota C-HR VVT-h Design combines modern styling with a practical 1.8 litre petrol hybrid engine. As a Design trim model, it offers a balanced specification that focuses on comfort and ease of use. The vehicle meets Euro 6 emission standards, ensuring it remains compliant with current environmental regulations for urban driving.

+ The vehicle is designed to be economical and accessible, featuring a fuel economy of 58 mpg and low CO2 emissions, which helps to reduce running costs. It sits in a low insurance group, making it a sensible choice for a wide range of drivers. Inside, the cabin is equipped with dual zone automatic air conditioning and heated seats for both the driver and front passenger to ensure comfort in all weather conditions. Practical technology includes adaptive cruise control for smoother motorway journeys, automatic headlights that adjust to lighting conditions, and Bluetooth connectivity for seamless mobile integration.
