Description
+ The 2021 SEAT Leon eHybrid XCELLENCE offers a practical and modern driving experience, combining a 1.4L petrol plug-in hybrid engine with the high specification of the XCELLENCE trim. As a Euro 6 compliant vehicle, it is designed to meet current emission standards while providing the efficiency benefits associated with hybrid technology. This model balances performance and fuel economy, making it a suitable choice for those seeking a contemporary hatchback that integrates hybrid power into their daily routine.
+ Inside, the vehicle is equipped with a range of features designed to enhance comfort and connectivity. Drivers benefit from a heated, perforated leather flat-bottomed steering wheel and three-zone climate control, ensuring a comfortable cabin environment regardless of the weather. Technology is well integrated, featuring a wireless device charger and full link smartphone integration, which supports wireless Apple CarPlay and wired Google Android Auto. Visibility is also prioritised through automatic headlights that include a separate daytime running light and a convenient automatic coming home feature, providing added ease during night-time driving.

Why Buy From Star Cars London?
+ Trusted East London used car specialist
+ All vehicles pre-delivery inspected
+ Finance available (prime & subprime)

Star Cars London Park Farm, Sewardstone Road, Chingford, Essex E4 7RG
